NOTES

10  
Plus-es2  
1) OK w/ her knowledge base - she can learn  
Small, can learn4  
2) Knows our orgs, values, structures, culture  
our business & our people6  
3) Has changed, learned & grown11  
CONS. to #'s above12  
1) Still felt need to limit <sup>amt of her work</sup> ~~amt~~ can only deal  
w/ limited amt at one time. 514  
- She will not be EVP so will not have  
those resp16  
Things tend to fall thru cracks17  
1) She ~~is~~ is selective in what she cares about18  
wants to deal only w/ hi profile stuff  
doesn't like shit work  
19  
- She has capability to change this20  
2) has pre-concern judgments - has to learn to  
manage this, emotional Rx22  
she complains to peers in dept - can't do  
that when you're the boss24  
will need to learn to manage her frustrations
